## And A Friendly Nod ...

To Mrs. Joyce Mullen, who annually pulls three trophies out to present to players of the local Ramblers hockey club who have performed in the way that is expected of a home team, insofar as amateur sport is concerned. The player who qualifies is allowed to hold the most valuable award for one year, and at the same time also receives a replica of the trophy. The highest scorer and the most gentlemanly player on the team also receive a cup and shield respectively, one that is theirs for ever! A fine memento, no less, from a fine sports lady!

## And A Friendly Nod ...

To the Calgary and Red Deer districts who are definitely moving in on the hail suppression program which was watched so closely by all concerned in this area last year. Seems like the guinea pigs (that's us) have survived the first test. Next time around we're going to have company when the hail clouds form over the mountains. Seems like a case of more people biting more fingernails. But then what's a few fingernails if the white menace misses us?

## And A Friendly Nod ...

To the third man of a local curling rink who had the nerve to challenge some of the top players in town to a 'whose-best' match. Those that had the challenge thrown at them seemed to have it in their minds that it would be a walk-away. They found out differently! Needing three coming home, the under-dogs laid a four-ender to take the contest. (Who said that curling is a slippery game)?

## Your Future is Here... In Alberta

STARTED MAKING PLANS for your holidays yet? Ever think of "seeing Alberta first"? Write the Alberta Travel Bureau in the Legislative Building. They're a wealth of ideas.

WHILE THE DEPARTMENT of Economic Affairs might have the responsibility of operation of the autisms, the Department of Public Works had the task of designing and constructing them. In addition, the staff of the department had the task of making sure the structures did what they were intended. Experts spent many a weary hour in the freezing darkness of a winter's night testing the acoustics as building progressed. Daytime noises would have spoiled test opportunities.

IF THE SCARE headlines are worrying you these days, there might be comfort in formation of a Civil Defence and Disaster organization in your community. Under the terms of The Civil Defence Act, the municipality effecting the organization will be reimbursed by grant for two thirds of the cost of the approved projects. Under agreement with federal authorities, the province in turn is reimbursed for half its expenditure. Thus, the federal, provincial and municipal governments each share equally the cost of a civil defence project.

WITH THE END of the school term in sight for many students in the province, there is some consideration being given by many as to the vocation they will follow on graduation. One of the more popular professions for girls is that of nursing. In some instances, the matter of finances interfere with the hopes of the young lady who would wear a cap. To take care of this problem, a number of scholarships have been set up which may be applied for by qualifying applicants. And in addition, there is a loan fund which may be used to help the student nurse through her training. Application to the Department of Education will bring details promptly.

Be seeing you soon—

## PLANS BEING MADE FOR CLEANING PLANT

At a recent meeting in Carstairs there was a good turnout of interested parties to discuss a seed cleaning plant proposed for the M.D. of Mountain View. Interest in the proposal is very keen. An interim board was established to take charge of the promotional work and signing of those interested in sponsoring a seed cleaning plant to be located somewhere in the municipality.

As explained by Mr. Parkinson, the plant would cost approximately \$45,000 and this would be financed one-third each by the members, the municipality and the government.

More of these plants are being opened every year and are said to be of great value to the farmers in districts where they are in operation. Those who are behind the project believe that it will have little difficulty in getting the required support in this area.

## NEW FIVE-YEAR LICENCES AVAILABLE IN MARCH

If you have a birthday in January, February or March, don't fret about renewing your driver's permit until after March 1. The new five-year licences will not be available until after that date.

With the five-year permits the government intends that eventually every driver in the province will be tested. These tests — eye, written and road — will not be required for some time except for those applying for a licence for the first time.

## Notes From D.A.

By Howard J. Fisher

Do our livestock need minerals with good home grown grain? The answer is yes, they need different minerals and in varying amounts. Animals need minerals to remain healthy and to produce healthy young; they also need minerals to make the best use of the feed they consume. Feeding minerals will therefore help keep healthy animals and save you money.

There are a number of mineral mixtures on the market, also concentrates which contain minerals as well as other supplemental feeds. These when properly fed will supply the essential mineral required.

Following are a few minerals and their relationship to various livestock. Iodized salt free choice for cattle, cobaltized salt free choice for sheep. Swine may have salt free choice or 1/2 pound in 100 pounds of feed. Calcium (ground limestone) helps prevent rickets in hogs, milk fever in cows and increases feed utilization; feed free choice to livestock, in hogs either free choice or 1/2 pound in 100 lbs. feed. Cattle require phosphorus (bonemeal) to maintain health and increase feed utilization; it also helps to prevent bloat. Iodine should be fed to pregnant animals. Iodized salt is usually sufficient for cattle; for sows feed potassium iodide 7 ounces in one gallon water, feed one teaspoon of this solution to each sow every week, in sheep feed ewes 1/2 ounce potassium iodide in water daily per 100 ewes.

Iron is required for young pigs to prevent anemia, it may be secured as reduced iron in powder, paste or liquid form and should be fed to little pigs in four doses at 3, 10, 17, 24 days of age.

Mineral mixtures which give good results and may be fed free choice to various livestock are: cattle, 1 part iodized salt, 1 part limestone, 1 part bonemeal. For swine, 1 part iodized salt and 1 part limestone; while sheep do well with 1 part cobaltized salt and 1 part bonemeal.

## Midway News

(From Our Own Correspondent)

(Intended For Last Week)  
The February Banquet W.I. meeting was held on the 13th at the home of Mrs. J. C. McCulloch. Considerable business was taken care of and plans were completed for the variety concert at Lone Pine hall Feb. 23. Come and be well entertained and support the community rest room project.

Best regards are sent to Mr. Dave Hughes who is in Red Deer hospital following an accident on the highway last Thursday. He is progressing favorably.

The men's bonspiel was held despite the warm weather. Frank Taylor was drawmaster and following are the results:

First Event — 1st, Allen, Didsbury; 2nd, Berscht, Didsbury; 3rd, Hay, Arme; 4th, Clayton, Didsbury.

Second Event — 1st, Sheriff, Carstairs; 2nd, Pederson, Carstairs; 3rd, Thomson, Midway; 4th, Edmundson, Carstairs.

Third Event — 1st, Schmick, Midway; 2nd, Weidner, Reed Ranch; 3rd, Hauser, Midway; 4th, Pratt, Didsbury.

Largest end was laid by Pratt of Didsbury who counted a seven-ender.

The sudden death of Mrs. Edith Lawrence of Calgary, mother of Mrs. Alva Topley, was a shock to all who knew her.

## WOMEN'S GROUPS HOLD MEETINGS

**JACKSON WOMEN'S INSTITUTE**  
A three-way bake contest featured the January meeting of the Jackson W.I. Winners for plain muffins were: Mrs. L. Hildebrandt, Mrs. W. Bohannon and for butter tarts Mrs. M. Mann and Mrs. A. M. Robertson. For buns and bread it was Mrs. Don Robertson and Mrs. Otto Paas.

The first prize winners will enter similar culinary events at the handicraft tea in Didsbury on April 27.

Mrs. Stanley Lowe, secretary-treasurer, presented a resume of the year's activities in her annual report and the financial statement revealed a substantial bank balance.

In a letter from Mrs. Caradog Davies from St. John's, Newfoundland, she humorously described her many difficulties and mishaps from the time she left home. This was at the outset of the railway strike.

Again this year a shipment of used wool will be sent to the Fairfields Mills. Anyone interested is advised to get in touch with Mrs. Alex Robertson.

For her five-minute talk Mrs. R. Krueger spoke on nyctons, pattern changes and the advisability of beginning a hobby well before the age of retirement.

## MOUNTAIN VIEW W.I.

The regular meeting of Mountain View W.I. was held Feb. 13 at the home of Mrs. A. Gebers, with 23 visitors present.

Meeting opened in the usual manner. Over 100 articles of Red Cross sewing has been handed in. Correspondence was read and consisted of a thank you note and a letter from the Cancer Society. Mrs. Otto Bittner and Mrs. R. Hamper were chosen to attend the Cancer Workshop on March 1st.

Roll call was answered by three bean muffins from each member and Mrs. Walter Scheidt won the prize. Mrs. R. Hamper gave a very interesting paper on agriculture; she spoke on growing gladiolus and gardening.

The constituency convener, Mrs. Harry Richardson, was present and informed the group of new ideas of W.I. branches and asked members to entertain the local girls' club at one meeting.

The man's white laundered shirt contest was won by Mrs. A. Gebers. Nurses from the local health clinic showed films and spoke on the organizing and work of the clinic, the secretary, the doctor and the health inspector, and the territory they serve.

All handicraft articles are to be brought to the March 21 meeting, which will be held at Mrs. C. Snyder's. Tea money netted \$320 and was won by Helen Remple.

## Men Who Make Alberta

### THE CONSTRUCTION WORKER

The rapid, almost unbelievable growth of Alberta and her towns and cities since the beginning of World War II, has made necessary a huge program of construction of homes, buildings, power plants, highways and bridges.

Without this work, and without the men skilled in the use of the machines and equipment necessary to do it, our expansion and economic growth would come to a tragic stop. People cannot live without shelter, industries cannot operate without power and commerce cannot exist without the means for communications and transportation.

The men behind the construction jobs are a rugged breed. As well as their skill, they are called upon to provide to their jobs their honest sweat and at times their courage as well ... The building of a new and growing country cannot be left in the hands of weaklings. Even in this age of machines, brawn and fortitude are required.

We all owe a tribute to these shock troops of civilization ... the men who build what others are so glad to use, the monuments of civilization that are transforming the face of this province and giving us all a better, more comfortable way of life.

**Moravian Church To  
Celebrate Anniversary**  
(Conclusion)

The Moravian Church has never  
formulated a distinctive Creed of  
its own, but do adhere to the uni-  
versally accepted Apostles Creed  
and evangelical teachings, which  
are the common possession of pro-  
testant Christians. Members are  
guided by doctrinal statements in  
its Book of Order, a catechism, and  
expressions of faith in its liturgies  
placing great emphasis upon the  
atonement.

Moravians have a liturgical form  
of worship, following mostly the  
church calendar year. A litany for  
Sunday service and liturgies for  
special seasons of the year and oc-  
casions are used. Holy Communion  
is observed about seven times a  
year. Children are dedicated by  
baptism and later are given several  
years of catechetical instruction  
and admitted to communicant  
membership by the rite of confirma-  
tion. Adults not previously bap-  
tized are admitted to membership  
by adult baptism, upon confession  
of faith. Members of other church-  
es bring a letter of transfer and  
then are received by the right hand  
of fellowship.

The carefully planned and long-  
awaited year of 1957 for the cele-  
bration of the 500th anniversary of  
the Moravian Church has at last  
arrived. The observance will begin  
on March 3, the Sunday nearest  
the traditional March first, 1457,  
the date of the founding of the  
Unity of Brethren in Bohemia-  
Moravia.

This will be the beginning of  
special services throughout the  
Moravian Church the world over. In-  
terchange of visitors from other  
countries will be sponsored. Special  
rallies, convocations and General  
Synod will be held during the  
year. There will be at this general  
Synod, to be held in Bethlehem,  
Penn., in August, representatives  
from America, Canada, England,  
Europe and mission fields of Alas-  
ka, Africa, Labrador, South Amer-  
ica, Central America, etc. It will be  
a time of not so much recalling the  
past as drawing inspiration for a  
rededication for service in the fu-  
ture. Our motto shall continue to  
be "Our Lamb has Conquered, Let  
us follow Him."

## By The Way

Contributed by  
REV. T. J. STANTON, M.A.

### LENTEN MEDITATION

Many think of Lent as a time to  
be a little more careful concerning  
thoughtful about worship; also  
their way of living, and a little more  
about things sacred and eternal.  
Often classes and small groups  
study and pray together, each giv-  
ing the other moral support in a  
more concentrated effort in the  
knowledge of God. Others are con-  
cerned about the worries, cares &  
fears that threaten their lives.  
Such hours may be spoken of as  
hours of meditation, and correctly  
so. The root meaning of the word is  
"prepare thoughtfully." It may be  
for the day, or for the task one  
is doing, the journey one is plan-  
ning, or for any new venture in  
life. But when we associate the  
word with any religious term, or  
practice we mean more than that.  
We then think in terms of a reli-  
gious effort in which we seek to  
share the guidance of God in the  
developing of our thinking, the  
cultivating of our desires, and in  
the fashioning of our wills.

Meditation then becomes a co-  
operative action. We set in con-  
junction with the spirit of God. He  
shares with us His wisdom and His  
love. He shows the way to what is  
best. We seek to develop such at-  
titudes and actions as will enable  
us to realize the good we become  
conscious of as we so wait in His  
presence. The foremost thought  
then in all Christian meditation is  
"What will thou have me do?" So  
we begin every meditation in the  
same way, with a burning inward  
desire for a wisdom, power and  
love, that is beyond us, human-  
ly speaking; to take control of  
us. And in so doing to shape our  
thoughts, as well as desires and our  
wills: "Our wills are ours to make  
them Thine."

We are in a universe that has  
meaning for us. We have been  
given a mind to understand this.  
This understanding enables us to  
believe in a creator who is willing  
to share with us. We do not need  
to be either wise or clever to be  
conscious of a creator whose spirit  
cries out to us from his creation.  
We join with Him however in med-  
itation by making use of such  
thinking powers as we enjoy. The  
subject of our meditation, be it a  
passage from the Bible, a state-  
ment of creed, an inspirational  
message, or a hymn, always sug-  
gests the need of some mental ef-  
fort on our part. Healthy conclu-  
sions follow the proper arranging  
of facts. Blessings follow when we  
build their conclusions into our  
way of life.

Somewhere the writer read that  
the infra-red ray is regularly used  
by our photographers in their pro-  
cesses for bringing into clearer view  
various features in their pictures.  
Features which otherwise could not  
be seen. In our meditation on the  
story of the cross and the resur-  
rection, we need the power of im-  
agination to enable us to see the  
vital parts in clear relief. Here,  
imagination will enable us to feel  
with the characters in the story. It  
will also help us as these folk en-  
joy the full benefits of their spiri-  
tual meditation who have made pre-  
paration for it. We are all familiar  
with the radio. We can never get  
results we are seeking until after  
we have made a proper job of tun-  
ing in. Tuning in is also necessary  
for us if we are to enjoy the best  
results from our meditations on the  
cross and the empty tomb.

This tuning in process will re-  
quire a little time, plus some self  
examination. We will need to  
re-think, some at least, of our pre-  
viously formed conclusions. We  
will need to ask ourselves just what  
we expect from our 1957 Easter

**Redeemer Ladies To Hold  
Fellowship Supper**

The regular meeting of Redeemer  
Ladies Aid, held in the church  
basement, Feb. 14, began with a  
hymn, scripture reading and a  
prayer. Pastor Fox on the basis  
of God's word then conducted the  
topic, "The Model Church."

The treasurer's report showed a  
balance of \$223.57. It was decided  
to hold another Fellowship Supper  
Feb. 24th, entertainment to be sup-  
plied by Aid members.

Members will again endeavor  
to bring a visitor to the meetings.  
The ladies will once more con-  
tribute to the Red Cross in the  
church basement and one member  
volunteered to hand out sewing for  
same.

It was decided the Aid will start  
a library, with \$10 to be spent on  
good books. A committee will take  
charge of arrangements.  
The ladies pledged \$20 to the rest  
room project, to be paid whenever  
needed.

SERVICE  
BOARD  
NOTES  
By  
W. K. ENTYER  
Agricultural  
Service Board

**DID YOU KNOW . . .** There are  
certain kinds of weed screenings  
that can be used to good advantage  
as livestock feed? However, there  
are other weed screenings that  
DO NOT make good feed. The  
weeds that are not good fodder are  
wormseed, wild mustard and  
stinkweed. They are not pal-  
atable and should be removed and  
burned.

In any case, screenings should  
be very thoroughly "ground" or  
chopped to make sure that there  
will be no future germination of  
any weed seeds. I would remind  
you that you need to secure a per-  
mit from your weed inspector be-  
fore transporting screenings. They  
must then be moved only in suit-  
able tight boxes and be well cov-  
ered or in good bags. The reason,  
of course, is to make sure that no  
weed seeds escape during transit to  
pollute roadsides or fields.

Small weed seeds are so easily  
carried about on a light breeze and  
reasonable precautions will prevent  
this happening.

Grain will shortly be cleaned for  
seed and, as a result, there will be  
screenings to handle by practically  
every farmer. You can save a lot  
of grief later if every precaution is  
exercised in the handling of these  
screenings and weed seeds. Effective  
weed control begins at this  
point.

meditations. Then we will need to  
consider the matter of making  
some changes and how we can best  
find and follow the Spirit's direc-  
tion, in all our efforts to attain the  
full joy to be had through the  
realization of the good life.

"My Soul there is a battlefield  
where everyone is tried.  
Where at the cost of sacrifice,  
no triumph is denied.  
Not is a war 'gainst flesh and  
blood its eager trumpets sound.  
But principles and powers are in  
the conflict found.  
A war between opposing worlds  
of darkness and of light,  
And one or another thou must  
choose, for thorny Soul must  
fight."

**DISTRICT NEWS****M.V.B.C. NEWS**

(From Our Own Correspondent)

Last Thursday evening the graduating class of eight members and the faculty and staff of the college were dinner guests of Mr. and Mrs. Ira Stauffer. A wonderful meal was enjoyed and an evening of games and a program followed. The Stauffers seem to make this an annual event and we surely appreciate their kindness and generosity.

The All-College day on Sunday took students and faculty to various parts of the province for services. President and Mrs. Taylor went to the Mountain View U.M. Church and Cremona; Rev. Bob Simpson, with students, took the services at Castor and May City appointments; Rev. and Mrs. A. Joy and students went to Condor in the afternoon; Mr. Richard Carpenter and his quartette appeared at James River and McDougal Plains churches; David Archer bringing the messages; Miss Eby and Mrs. Kagey went to Edmonton; Mrs. Suter and the Jubilation Quartette took Parkdale and Montegony churches; Mr. H. Oke, with the ladies' trio, went as far as Acadia Valley. Other appointments will be reached within the next few Sundays. It was a good day despite the bad weather in some sections.

A number went from Didsbury to Red Deer on Friday evening to see the play presented by the Sigma Eta Gamma Society of the Canadian Nazarene College. It was held in the King Memorial Chapel and featured Peter as "The Road to Damascus." The play was well done. Miss Gladys Eby was one of the three adjudicators. A second play will be presented on March 18, at which time the two plays will be finally evaluated and awards given for those who took part and excelled.

Mr. Peter Waldin concluded his revival services in the Galahad United Missionary Church on Sunday evening and will take up his plans work again on Tuesday morning.

The board of directors of Mountain View Bible College held its annual meeting on February 20 in the college. All but one member were present. Rev. W. D. Annett was re-elected chairman of the board, with Rev. M. W. Swain as vice-chairman and Miss Gladys Eby as secretary of the board. Business was accomplished in one day. The faculty and staff, with one exception, were re-elected for the coming year. The work of President Taylor was greatly appreciated by the board. The board also appreciated the kindnesses of the many friends of the college for their continued support and interest in the work it is doing. A detailed report was given by the treasurer so that the board has a complete understanding of the financial progress the school makes during the year.

During the chapel period of the day the president of the Associated Student Body invited the board to chapel service, where he with his helpers had prepared a splendid program of song for them. Among these was the singing of the college song. In the evening the board met with students and faculty in the college dining room, where Mr. Carpenter presented a couple of numbers given by the A. Capella choir. Rev. Annett expressed the appreciation of the board for the fine entertainment given by the college on behalf of the board.

President Taylor is again in the class room after several days of illness. All of us are glad to see him in his accustomed role around the school.

**NOTICE TO MOTHERS**

Polio inoculations for those children born in 1951 will be given on the following dates:

Friday March 1st —  
Carstairs, at Carstairs School, 9:15 to 10 a.m.  
Didsbury, at Health Unit Office, 10:30 to 11:30 a.m.  
Olde, at Olde Public School, 1:30 to 2:30 p.m.  
Monday, March 4th —  
Cremona, at Cremona school, 10:15 to 11:15 a.m.  
Sundre, at Sundre school, 1:30 to 2:30 p.m.

**CARD OF THANKS**

We would like to take this opportunity of saying "thank you" to the Didsbury Ramblers hockey team, coach Bill Cowan and the executive, for the lovely chair and flowers presented to us. Thanks folks.

ANGELINE and  
WALTER IRWIN**CREMONA NEWS**

(From Our Own Correspondent)

The Cremona curlers finished playing the games in the Round Robin on Thursday night, Feb. 21. George Whitlow Jr.'s rink, with Mrs. G. Whitlow and Mr. and Mrs. D. Grainger won the cups.

The next curling is to be in the form of an open local bonspiel. Bernice McBain, wife daughter of Mr. and Mrs. D. McBain, spent last week visiting with her grandparents, Mr. and Mrs. R. McKay in Red Deer.

Congratulations are extended to Mr. and Mrs. John Knox of Edmonton on the birth of a son, Lorne David, on February 8th.

Warren Reid has gone east for a three-week air force course. The Cubs entertained their fathers at a "father and son" banquet on February 18. Rev. Dietz was invited as guest of honor by Mr. J. Robertson. Mr. J. Stimulation, Cubmaster, was chairman. Mr. V. Burkholder supervised the dance they performed, the dance of Bagher.

An exhibition wrestling match was held in Water Valley Feb. 23 to raise funds to buy mats and canvases for the Water Valley Club. Don Fischer and seven other chaps from the Y.M.C.A. came out for the evening. A good time was had by all.

**I.O.D.E. Report**

(Continued From Last Week)

Mrs. Nancy Freeman reported two food parcels had been sent to an old age pensioner in England; also three layettes completed, one sent to Epiphany Nursery in Greece, one to a local needy mother and one retained in case of emergency. Toys and clothes for a local needy family were delivered at Christmas time by Miss Margaret Hanson.

Christmas card booklets were made and sent to Ports of Entry into Canada for the use of immigrant children.

Two tag days were held during the year: the C.N.I.B. with a return of \$388.25 and the hospital tag day with a return of \$104.45.

The Civil Defence float entered in the Lions Club parade won second prize of \$10. Mrs. Bryan Johnson reported catering to the Legion banquet, Lions ladies night and the arena concession swelled the treasury. The members also served soft drinks at the high school graduation dance observed Founder's Day by attending church service at St. Cyril's Anglican church; attended Memorial Day service, having a wreath.

Mrs. Roy McArthur reported fruit and flowers were sent to members sick and bereaved during the year.

Mona Chapter was represented at provincial chapter and semi-annual meetings at Edmonton and Banff during 1956. Appreciation for the use of the Lions hall was expressed by a donation of drapes and also \$25 to the Lions Club.

The 38 members enjoyed two parties during the year: a masquerade party, members only, in June and a Box Social in December, for members' husband and escorts.

Applications for membership from Mrs. George Law and Mrs. John Kosowan were received and accepted.

**SHE'S HOME !!!**

A small boy was dolefully practicing his piano lessons when a salesman knocked on the door.

"Son, is your mother home?"

"What do you think?" answered the boy.

**MOUNTAIN VIEW**

(From Our Own Correspondent)

Mrs. Arthur Gebers spent last week in Edmonton taking a civil defence course.

Congratulations are extended to Mr. and Mrs. John Kohut on the birth of a daughter.

The regular monthly picture show is this Friday, March 1st. The feature picture is "The Pony." Mr. and Mrs. Harold Shultz had as their Sunday supper guests, Mr. and Mrs. Art Coates and family, Mr. and Mrs. Charles Snyder, Linda and Bruce, and Mrs. Doug Boode. Kathy took the Ice Capades in Calgary last Thursday evening.

*The Low-Cost  
JOHN DEERE  
Credit Plan  
Can Save You Money*

GETTING the best value for your money is good shopping sense regardless of what your purchase might be. This applies to financing, too; so shop for credit the way you buy farm equipment and your path will lead to John Deere. No other finance plan offers all the advantages of the John Deere Credit Plan; it's the most economical financing available to farmers.

There's no fuss ... no bother; all arrangements are made with us ... in strict confidence. You can buy new or used equipment with a low initial payment ... in cash or trade-in. Convenient payments are tailored to your income—either monthly or seasonal payments, whichever you prefer. Property and life insurance are available if you want them; no physical examination; cost is only a few cents a month.

There are other important facts you should know about this broad credit plan. Come in and let's talk over your equipment and credit needs this week.

### Little Items of Local Interest

Dr. and Mrs. R. Bankier were Sunday dinner guests of Dr. and Mrs. T. O'Hea in their new home in Carstairs.

Mr. and Mrs. C. Leeson left Wednesday for Vancouver, B.C. to spend a vacation with Mr. and Mrs. R. B. Leeson.

Miss Ella Devine of Edmonton spent the weekend here with her parents, Mr. and Mrs. S. Devine.

Mrs. E. J. Fleming returned recently from the west coast and will take up residence in Calgary early in March.

Mr. and Mrs. Ken Gullrie of Medicine Hat are visiting this week with the former's mother, while Mr. H. Gullrie is visiting with his brother and other relatives in B.C.

Mr. Ed Watkin returned home last weekend after spending several weeks in Edmonton receiving medical attention.

Mrs. J. B. McEachern of Edmonton was a weekend visitor with Mr. and Mrs. J. R. Cunningham. Mr. Cunningham returned home last week after spending some time in a Calgary hospital.

The fifth annual art exhibit and St. Patrick's tea, sponsored by the Ladies' Auxiliary to the Canadian Legion, will be held in the high school auditorium, Saturday, March 16. An extra feature this year will be 60 pictures on loan from the Cosie House. More details later.

The evening group of Knox United Church W.A. met in the church on Tuesday, Feb. 26, with 20 members answering roll call, which was "my pet beef about housekeeping." Mrs. Johnson gave the citizenship paper, followed by the devotional by Mrs. Stainton.

There was a birthday party at the Fred Burwell home on Feb. 19, when Mr. Burwell and his grandson celebrated the occasion that comes to everyone every year. The grandson mentioned is Freddie McNeil, youngest son of Mr. and Mrs. Robert McNeil. Those present at the party included Mr. and Mrs. Robert McNeil and sons, Gary and Freddie, and Mr. and Mrs. Phil McNeil.

Elkton Willing Workers will present a film "Sale of Work", on Wednesday, March 6th, in the school.

The Ladies' Golf Club will hold its annual meeting, on Thursday, March 21 at the home of Mrs. Alf Allen at 8 p.m. All members and prospective members are asked to keep this date open.

Mr. Dick Jenkins of Edmonton was a weekend visitor in town with his mother, Mrs. E. Jenkins.

### EAST NOTES

(From Our Own Correspondent)

There were seven tables of whist played at Mrs. Anne Patterson's one night last week. Prizes went to Mrs. Ehret and Mr. Nel Nelson; consolation to Mrs. Morris Charetton and Orville Schneider. The next whist drive will be held at the home of Mrs. Chris Ehret on Wednesday, March 6th.

Mrs. Thomas Marsh and family motored to Vulcan on Sunday to visit with relatives and friends.

Les Schumaker and Don Andrews were Sunday supper guests with the former's parents.

Miss Dolores Haderer spent the weekend with her parents.

Mr. and Mrs. Schumaker Sr. were Sunday supper guests of Mr. and Mrs. Ken Waugh.

Mrs. Pete Neufeld and Norman, of Acme, were supper guests with Mrs. Schumaker and family on Thursday.

### Are your youngsters learning Financial Navigation?

There's a lot of fun for you and for them in this game. And we have a booklet containing many useful ideas on the subject which you can pass on to your boy or girl. It's called "Financial Training for your Son and Daughter", and it shows how you can help your youngsters to help themselves. Ask for a copy next time you're in the branch.
